

Ar-Risāla 'ilā Ahl al-Irân

Message to the People of Iran

Ibrāhīm al-Tinawī

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Muqaddimah

(Introduction)

Praise be to Allah. We seek help and forgiveness from Him. We take refuge in Him from the evils of our souls and from our bad deeds. One whom Allah guides to the right path will never go astray and he who goes astray will never find the right way. We testify that there is no god but Allah, and He has no associate; and we testify that Muḥammad, peace be upon him and his family, is His servant and Messenger.

May Allah give all Arabs the courage that Shia (people) have.

The Ruling on cooperating with the Shi'ah in this Jewish-Islamic jihād

In this particular jihād, cooperation with the Shi'ah is allowed, because it is the only thing that the Mujāhidīn of Filasṭīn have (along with Allah). There is no other so-called Islamic country to help them, because they are ruled by the ṭawāghīt who are controled by the 'Amrīka, while the Shi'ah are free.

This jihād is not about the ikhtilāf in 'aqidah, but for the sake of saving the Holly Land.

Many Muslims complain that Shi'ah are not Sunnis and that it is not permissible to seek help from the kuffar (as they believe). Then allow me to remind you how Saudi Arabia sought help and permitted help from 'Amrīka against the Sunnis, not even (against) the Shi'ah, and scholars at that time, such as Ibn Baz, permitted this without any shame.

Conclusion

I want to thank Yaman, Irân and Hizbu 'llâh for fulfilling the duty of our ʔawāghīt. Our ʔawāghīt are now powerless due to that they are controlled by 'Amrika, but you People of Irân, you are free and you realize that, that is why I thank you for your help for you were able to leave us alone like our ʔawāghīt did but rather you chosed to stand for the truth and help the innocent Muslim starving families in Gazza. May Allah grant you hasanat for your great service to this Ummah.

To the leaders of Islamic regions -such as from 'Irāq, Sa'ūdiyya, Qaṭar, Miṣr, Lībiyā, Jazā'ir, Tūnis, Maghrib, Tūrkiye, Pākistān, Qazaqstan, 'Albāniyā, Kosova, Būsna wa-l-Harsak, 'Umān, Qaṭar, Baḥrayn, Sūdān, Şūmāl, Jībūtīyya, our beloved Afghānistān, Türkmenistan, O'zbekiston, Tojikiston, Kyrgyzstan, the Emirates, and Azərbaycan- I advise you to fear Allah! Fear Allah! Fear Allah! Remember, Allah is much bigger than 'Amrika, the United Nations, and NATO! And remember that if Allah had willed, he would have been destroyed Jewish state in less than a second! He is testing you because he wants to see who are his believers and who are just Munāfiqun! And you are now in the team of Munāfiqun! So fear Allah! Repent to Him and go to jihād!
